COG Conference
Sep. 8-10, 2023

This is Jeff Moore. We are reaching out to you to “Be Bold. Be Bright.” in this world. We need to be revived and “keep our lamps burning.” I am excited to invite you to come fellowship together at our Church of God campground. Some of you remember the good times from church camps and conferences. Let’s make new memories.

COG Conference

Sep: 8-10; 2023

I need help with
campfire music on
Saturday night. If
you feel moved to
help, please let me
know. I ask you to be
motivated to come.
Pass this message on
to others. The days
are evil and
distracting to our
faith in God.

“Stay dressed for
action and keep your
lamp burning.”

Luke 12:35
